Atty. Docket: CL1510ORD

REMARKS

This response is submitted for the Examiner's consideration, further to the Amendment filed on November 7, 2006.

The response herein corrects the informality in the November 7, 2006 Amendment, as indicated in the Notice of Non-Compliant Amendment. The amended abstract is now presented on a separate sheet.

In light of the amendments and remarks in the present and the previous responses, Applicants submit that the present application is fully in condition for allowance. Early notice to that effect is earnestly requested.

The Examiner is invited to contact the undersigned via telephone if a phone interview would expedite the prosecution of the instant patent application.

Respectfully submitted,

By:
